Floor plans are not to scale, dimensions are approximate, and may vary from the description of the unit in the condominium declaration and the purchase contract. Floor plans may be attached to the purchase contract as representative of the unit, but will not be construed as a description of the unit for conveyance or contract purposes. Floor plans, including room layouts and the configuration and location of appliances, cabinets, closets, plumbing facilities, and other improvements shown within the unit are subject to change. Please review the condominium declaration and purchase contract for a description of how the units are measured.
